Dear Principals, Counselors, Teachers and Parents,

The Montgomery County Office of Human Rights (OHR) is again pleased to announce that our 2018 Human Rights Diversity Camp is set for December 14-16, 2018. Our office is asking for your continued support by encouraging participation in this successful and worthwhile program.

The Montgomery County Human Rights Commission will fund this special program which includes transportation, activity materials, meals and refreshments.

Registration will be open to all fifth grade students who attend elementary schools throughout Montgomery County. This will include MSPS, Parochial, home schools, religious and charter schools. However, **only 50-75 students (equal number of boys and girls) will be selected to participate in the 3-day camp. The deadline for registration will be Friday, November 16, 2018.**

The camp will take place at the YMCA's Camp Letts facility in Edgewater, Maryland (near Annapolis). Students will depart from the Office of Human Rights 21 Maryland Avenue by MCPS bus on Friday December 14, 2018 at 9:45 a.m. and return to Office of Human Rights on Sunday December 16, 2018 at 2:30 p.m. Students will be responsible for their personal toiletries, clothing and bedding.

Selections will be made from the list of students who apply however we are committed to have the most diverse group as possible to insure the objectives of the camp are met. We will assess the candidates who apply but may ask your support in identifying other potential candidates to fill any available slots to insure diversity.

Student's selections will be based upon students who have demonstrated the following characteristics:

Students who have consistently demonstrated small and large acts of kindness and respect for alienated or neglected students and/or community members or people who may be perceived as "different";

Students whose actions or words have broken barriers between groups, increased the representation of under-represented groups in activities, healed divisiveness among groups and who otherwise acted responsibly to promote respect and bridge differences;
